

## Domestic Abuse and Operation Encompass

All staff and volunteers are aware that domestic abuse can encompass a wide range of behaviours and may be a single incident or a pattern of incidents. That abuse can be, but is not limited to, psychological, physical, sexual, financial or emotional. Children can be victims of domestic abuse. They may see, hear, or experience the effects of abuse at home and/or suffer domestic abuse in their own intimate relationships (teenage relationship abuse). All of which can have a detrimental and long-term impact on their health, well-being, development, and ability to learn.

The Domestic Abuse Act 2021 recognises children as victims of Domestic Abuse in their own right and sets out statutory multi-agency responsibilities, including specific responsibilities on education providers. Amongst other things, these include how school deliver an effective PSHE / RSHE curriculum which supports children to recognise and report feelings of being unsafe, and covers the concepts of, and laws relating to, sexual consent, sexual exploitation, abuse, grooming, coercion, harassment, rape, domestic abuse, forced marriage, 'honour'-based abuse and FGM, and how these can affect current and future relationships.

Four Oaks Primary School is part of Operation Encompass. Operation Encompass is a national police and education early intervention safeguarding partnership, which supports children and young people who experience Domestic Violence and Abuse. Operation Encompass enables every child to receive support, regardless of whether the incident has been recorded as a crime and regardless of whether there is involvement with children's services. Operation Encompass means that the police will share information with our school about all police attended Domestic Abuse incidents which involve any of our children prior to the start of the next school day.

In order to support the school's response, the Designated Safeguarding Lead and the Deputy DSL have undertaken specific training related to Operation Encompass.

Key information about the principles of Operation Encompass has been cascaded to all other school staff and Governors. This includes discussing with staff how we can support children who are experiencing Domestic Abuse on a day-to-day basis, and particularly following an Operation Encompass notification. Appropriate confidentiality will be maintained. No actions taken by school will put the child/ren or adult victim at risk.
