Headteacher: Mrs S Robinson B.A.(Ed) M.Ed. NPQH

Dear Parents and Guardians,

PARENTS' EVENING

Tuesday 14th April

- Your child's class will be open from **3.20pm to 4.20pm**.
- You **do not** need an appointment – please call in between the open times
- Your child's work will be on their desk in the classroom – please take a seat and browse through their work.
- The Teachers and Teaching Assistants will be available to answer queries and to discuss your child's work and their next targets.
- Your child's teacher will leave a comment sheet on top of their work for you to take away. It will tell you about their next targets for English and Mathematics and also a comment about what they have done to make their teachers particularly impressed or proud of them.

If you are unable to make this day, or you prefer a different style of appointment such as a private 10-minute appointment or telephone call, please contact the class teacher to make arrangements.

We are also delighted to let you know that again, as part of our **Science Week celebrations**, we have arranged for the children to display their science investigations for families to see. You will find the science displays upstairs on the Playdeck outside Y5 and Y6 classrooms. Your children will be able to show you the way.

We look forward to welcoming you.

Kind regards,

S Robinson

Mrs S Robinson
Headteacher
