Year 5 Geography visit – Formby floodplains and farmland

Dear Parents/Carers,

As part of our spring Geography topic, Year Five will be enjoying a local field visit **on Thursday 26th March 2026**. The topic focuses on floodplains and how they can provide humans with opportunities as well as hazards. With Formby on our doorstep, this is an ideal opportunity for the children to experience this geographical feature firsthand and develop their field sketching skills.

Lunch and home time arrangements will remain unchanged. Please ensure your child is dressed appropriately in school uniform with a waterproof coat.

In the event of bad weather, we will postpone the trip and contact you when this has been rearranged.

If you have any further queries, please see your child's class teacher.

Please note- Y5JK will be going on Monday 23^d March 2026.

Many thanks,

C.McClements,
Year 5 Teacher
