

# Weekly Newsletter

19th May 2023

This week Reception received a very special gift from the Magic Story Box. The children received some eggs in an incubator. The children learnt that the eggs had been laid by a hen who then kept them warm by sitting on them for approximately 20 days before they were put into an incubator to visit us at school. The eggs hatched and we let them fluff up in the incubator before transferring them to the brooding cage. The children have been learning how to care for the animals as they continue in their life cycle.

Year Five enjoyed two full days at Liverpool Watersports Centre. They used kayaks, canoes and paddle boards to explore Princes, Kings and Albert docks - adventuring as far as the floating globe. (The display ends on 21st May so get down to see it!) The children behaved brilliantly and by listening attentively they were able to really enjoy the day. They ended their experience by tackling the aqua park: a floating inflatable assault course. Well done Year Five!

# How to Warm proof your house!!

Energy saving tips morning!

## Tuesday 23rd May

9.30am-12noon @ Christ Church, Hartnup Street, Walton Breck

We're putting on a day of information in May on how to keep your house warmer, save on energy bills, how to deal with condensation, bleed your radiators, check your boiler pressure, etc.

This is with help from our friends at Octopus Energy.

We hope that the more we learn and put into practice now, will help to plan ahead for next winter.

Please let anyone else you know who will benefit from this about the event.

Maybe we can tackle this cost of living crisis, together, one step at a time.

Thanks,

Christ Church, Walton Breck  
Family Outreach

## Let's be green: recycle school uniform

It is well known that children often outgrow their clothes before they have had much wear from them. We introduced a clothes recycling rail for this very reason and we have been delighted to see how it has taken off.

Thank you very much to everyone who is donating such good quality uniforms to our recycling rail in the school foyer. This has included brand new items too, which was a lovely surprise! An equally big thank you to everyone who is taking clothes from the rail to recycle them. Together we can make a positive difference to reducing landfill and help protect our world.

Why not come and take a look?

Absence: It is your responsibility to phone the school office by 9am each day your child is absent. Please leave a voicemail if there is no answer. TERM TIME HOLIDAYS WILL RESULT IN FINES.

The school target for this academic year is 97%
