Last week, we celebrated the coronation of King Charles III. We wore red, white and blue colours, enjoyed a very special lunch in our decorated dining hall and took part in a very educational Coronation Drama workshop. We learnt about the history of the coronation, the order of the events, the special clothes and objects included in the ceremony. We used our drama skills to act out the events of the day. We had so much fun! We will surely remember this very special history day forever! Thank you!

"I enjoyed drama workshop because we acted out what is it like to be a king!"

Madison, Y4

"The best thing about the day was the drama and acting!" Sophia, Y4

"I enjoyed eating my dinner in the decorated hall and dressing up in the colours of our flag!" Alyssa, Y4

"I liked the set up and the activities throughout the day! It was fun! it was the best day ever!" Blessing, Y4

As the Eurovision build up is in full swing, and we are the city chosen to host this year's Eurovision on behalf of Ukraine, our Year 5 children took part in an online zoom and listened to a Ukrainian folktale called 'The Golden Slipper'. This tale is closely linked with Cinderella and pupils had discussions around similarities and differences between the two versions of the story.

"It was quite unusual because it was a jester who was measuring the feet - it would look very strange." Thomas W

"I feel like it was a bit much to kill the cow! She could have found the corn another way." Macie

"I thought it was strange killing that innocent cow." Max

"I didn't like that they had to kill the cow to find the grain of corn." Isabella

More Eurovision celebrations took place in Year 6, following the final SAT test, and pupils enjoyed a lolly-ice in the warm weather as well as popcorn whilst watching their own version of Eurovision in classes, led by Resonate Music Company via zoom. There was singing and cheering, and a good time had all round.

YEAR 6 SATS

We would also like to take this opportunity to say how proud we are of our Year 6 pupils after their SAT tests. Their resilience and determination to be their best in all tests, particularly with their perseverance with some very challenging content has been a cause for celebration. They should be very proud of their efforts. Well done Year 6.

Attendance

Congratulations to everyone and thank you for helping us achieve 98% this week.
