YEAR 4 DESIGN AND TECHNOLOGY

In Year 4, we worked very hard on our Design and Technology project. We made our very own torches! We used different skills: measuring, designing, cutting, gluing, creating an electric circuit, folding cardboard etc. We connected our electric circuit to a switch, added a handle and some decorations and look... don't they look amazing? We are very proud of what we achieved!

YEAR 5 VISIT TO NORTH LIVERPOOL ACADEMY

On Wednesday, some Year Five children were fortunate to take the short journey to North Liverpool Academy. A collaboration between the English, Languages and Library departments gave the children the opportunity to use research facilities to learn all about Chinese culture and specifically Chinese New Year. Some arts and crafts activities added an extra bit of fun to the workshop. The children are thoroughly enjoying our growing partnership with our secondary school neighbour.

Dear families,

There is always lots of wonderful things happening across our school that the children are keen to share with me. This week, I was particularly interested to hear about a group of our Y5 Reading ambassadors and researchers who went to investigate facilities on offer at North Liverpool Academy. Their mission was to visit the library and to meet members of the English department and report back. It was evident from all that the children and Mrs Colville said that yet again they have been impressed by NLA. You can read their report which includes quotes from different members of the group, overleaf and below. We hope you enjoy reading it.

Have a wonderful weekend and I shall look forward to seeing you all next week,
Mrs Robinson

Year 5 Reading Ambassadors together with a group of Year 5 researchers were selected to visit North Liverpool Academy to visit their library and to get a good feel for the fabulous facilities.

We immediately noticed how welcoming all staff in the school were – Mr. Eagan met everybody as they arrived and accompanied the group to the library. Mr Eagan was very funny, had a very colourful suit and was just a friendly person! We met 3 teachers who were all really nice!

We had to complete a quiz accessing 3 different stations to practise using the range of resources on offer in NLA’s library. One activity was origami and we made paper dragons, a red envelope which is to bring good luck and good wealth to the person who receives it and a small box that would be used to give a gift in. It was brilliant! We learned facts about Chinese New Year, things that you should and shouldn’t do on Chinese New Year. The whole celebration lasts for 16 days.

We can’t wait to share our findings with the rest of our class and to visit again.

MESSY CHURCH

Messy Church takes place in the school hall from 3.20pm on the following dates:

Wednesday 25th January

Wednesday 8th February

Wednesday 1st March

Wednesday 15th March

EVERYONE WELCOME TO JOIN IN THE FUN!

Impressive!

Proud to be chosen!

Brilliant!

The building looked new, even though it had been there for a few years now. It was immaculate and well looked after. The resources were great!

Sa'ad

WOW!

Fantastic!

Modern!

I think it was amazing because we got to meet some lovely teachers!

Xander

I loved activities we did in the library – using all of the computers and books to research Chinese New Year.

Rimas!

Absence: It is your responsibility to phone the school office by 9am each day your child is absent. Please leave a voicemail if there is no answer. TERM TIME HOLIDAYS WILL RESULT IN FINES.
