Little Acorns and Four Oaks Nursery at Four Oaks Primary School

Welcome

Little Acorns and Four Oaks Nursery offer the very best start for our youngest children.

Little Acorns cater for children aged 1 and 2 years old. They move to Four Oaks Nursery when they are 3 and 4 years old before applying to join Four Oaks reception class and beyond.

Our school, built in 2012, gained the prestigious architects SCALA award for its beautifully bright and spacious indoor and outdoor learning environment designed to encourage young children's physical, emotional and academic development.

We pride ourselves on providing stimulating and fun learning activities. Our friendly, knowledgeable and enthusiastic teaching team will develop a strong bond with your child to ensure they always feel happy and confident.

Kind regards, Mrs S. Robinson, Headteacher

How to apply

Would you like to be a Little Acorn or join Four Oaks Nursery?

We are open Monday to Friday from 8am to 5.30pm in term time. We can provide different length sessions from just 3 hours per day to full days.

We offer free settling-in sessions for your child to make sure both you and they are very happy before they start. Once your child starts they will have a key worker who will be their main carer and will provide you with a daily update of all your child has enjoyed doing. Sessions are free for eligible children from 2 years old. There is a charge for other children. Please ask at the school office for an information pack. Mrs Dobb, our School Business Manager, will be happy to discuss different options with you with no obligation.
